The Village Playhouse will finance the production of chosen scripts for festival performance. It is understood that playwrights will receive no financial compensation for scripts used in the festival. Submission of a script grants the Village Playhouse production rights for the 2021 36th Annual Original One Act Festival for Wisconsin Playwrights. In the event that the COVID-19 pandemic prohibits the festival from proceeding in its normal form, the Village Playhouse reserves the right to produce submitted scripts in a virtual format instead.
